

TERMS AND CONDITIONS OF THE NA (CWC) LICENCE

This **Licence** is subject to the following terms and conditions that the licensee shall:

- a) not develop, produce, stockpile, acquire, retain, or use Schedule 1, 2, 3 chemicals or unscheduled Discrete Organic Chemicals (DOCs) for purposes prohibited under the Chemical Weapons Convention (CWC);
- b) apply for the necessary permits prior to any import or export of a Schedule 1, 2 or 3 chemical;
- c) not transfer any Schedule 1 chemical to or from any State Not Party to the CWC;
- d) implement such security measures on or for premises storing or handling Schedule 1, 2 or 3 chemicals as are required from time to time by inspectors or authorized persons;
- e) not import from or export to any State Not Party to the CWC any Schedule 2 chemical, unless the items are:
 - i) products containing one percent or less by weight of a Schedule 2A or 2A* chemical;
 - ii) products containing ten percent or less by weight of a Schedule 2B chemical; or
 - iii) products identified as consumer goods packaged for retail sale for personal use or packaged for individual use;

[An End User Certificate (EUC) shall be submitted to National Authority (CWC) prior to the export of any Schedule 2 chemical, which is listed in the categories of products above, to any State Not Party to the CWC.]

- f) submit an EUC prior to any export of a Schedule 3 chemical to any State Not Party to the CWC unless the items are:
 - i) products containing 30 percent or less by weight of a Schedule 3 chemical; or
 - ii) products identified as consumer goods packaged for retail sale for personal use, or packaged for individual use;
- g) declare to National Authority (CWC) before and after any import, export or local transfer of any Schedule 1 chemical;
- h) declare in the prescribed forms, not later than 31 January, the production, processing, consumption, import, export, storage, sale or local transfer of any Schedule 1, 2, 3 chemical and unscheduled DOC in the preceding year;
- i) declare in the prescribed forms, not later than 15 August, the anticipated activities to produce any Schedule 1 chemical in the following year;
- j) declare in the prescribed forms, not later than 15 September, the anticipated activities to produce, process or consume any Schedule 2 or 3 chemical in the following year;
- k) notify National Authority (CWC) immediately if the company has reached or exceeded the maximum approved aggregate for the specific scheduled chemical or unscheduled DOC;
- l) notify National Authority (CWC) immediately if there is any change in the licence information;
- m) apply for an amendment to the licence at least 14 working days in advance for the:
 - i) addition of new chemical(s);
 - ii) addition of new product(s) containing any licensed chemical;
 - iii) addition of new activity(ies) involving any licensed chemical;
 - iv) increase in the maximum aggregate allowed for the specified activity(ies) of any licensed chemical;
- n) be subjected to routine and challenge inspections by the Organization for the Prohibition of Chemical Weapons (OPCW) and from the National Authority (CWC);
- o) enter into an agreement with the Government of Singapore regarding inspections of the facility, where the Government deems such an agreement to be necessary;
- p) provide the necessary documents to validate any permitted activities within the licence period upon request;
- q) comply with all applicable written laws in Singapore, including the Chemical Weapons (Prohibition) Act, Chapter 37B and the Chemical Weapons (Prohibition) Regulations 2007.
